Challenge your household to a game of Virtual Farm BINGO! With this form, you can fill in each empty box above with a word from the list below. Between April 1st and 14th, we will post photos and videos at random times to our website, Instagram and Facebook accounts that will announce a total of 30 BINGO words. The first person in your household to get 5 across, down, or diagonal, wins the game! You can keep playing through April 14th to see if you can get a “blackout” card! Share your BINGO cards with other online players by adding the hashtag #virtualfarmbingo and tag @cvpumpkinfarm.
